Why study Portuguese at UW?

UW-Madison has one of the largest sections of Portuguese in the nation with four faculty members and several teaching assistants. There are a variety of courses to choose from with excellent teacher-to-student ratio and one-on-one advising. You will belong to an eclectic community of Portuguese-speakers who gather every Thursday night from 4:30 pm to 6:30 pm at the local Kollege Klub to speak Portuguese and relax as the week is almost over. Every semester you will be able to watch a variety of films from Portuguese-speaking countries at the LusoFilm events, run by the graduate students in the department. You will also benefit from the outstanding and well-established study abroad programs in Portugal and Brazil and interact with a large number of students from all over the nation who study through the UW-Madison programs.

Students majoring in Portuguese may be eligible to receive a SMART Grant of \$4,000 for each of the third and fourth academic years of study. For more information, please visit <http://www.finaid.wisc.edu/smart.html>
